Carcassonne

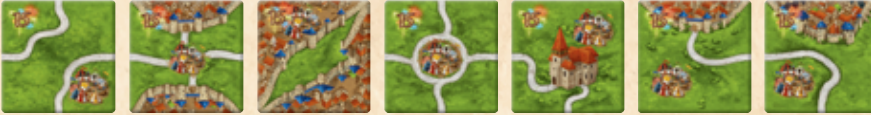

The Festival

This mini-expansion celebrates the 15th anniversary of the game Carcassonne.

Some meeples are therefore leaving a little earlier to join in the celebrations.

Components

12 new landscape tiles with the 15-symbol

Setup

Shuffle the 12 new land tiles of this expansion with those from the base game.

*This mini-expansion was developed for the **Carcassonne base game**, and its rules still apply.*

*You can combine **The Festival** with other expansions. However, there will be no official rules for these combinations.*

1. Place a land tile

If you draw a festival tile, you place it according to the usual rules.

2. Place a Meeple

You may place one of your meeples on the festival tile according to the usual rules.

If you choose not to place a meeple, you may instead return **any one of your meeples** from the playing field to **your supply**.

You  place the festival tile you have drawn. Instead of placing a meeple on this tile, you take the meeple from the city next to it back into your supply.
